

Dear Parents;

Choosing a school for your child, particularly in the fundamental secondary years is one of the most important decisions that you have to make as a parent. I am excited to introduce you to the reality of Kakungulu High School Bombo and all that we have to offer as a school.

"Knowledge is Power"

Why choose

-KAKUNGULU HIGH SCHOOL BOMBO-

The education at Kakungulu High School Bombo is fun and engaging.

Teachers are both our friends and mentors and keep pushing us to achieve more. I also like the fact that we are a green school both mentally and ecologically.

"I love the school because of the green environment, the sense of community, and how cheerful, humorous and friendly teachers and students are."

GOAL

Developing Students' Knowledge, Skills, And Values, And Preparing Them For The Future.

What will Success look like?

1. Increased teacher capacity through training, support supervision and mentorship.
2. Improved access to age appropriate and relevant teaching and learning materials.
3. Boosting school management and leadership to make a disciplined Community.

NOTE: Children participate fully in school and literacy centres/community reading clubs by ensuring:

1. Parents support literacy activities at school and at home.
 2. Communities establish literacy centers.
 3. Children participate in reading clubs.
- Improved access to safe, conducive and inclusive learning environments:
1. Inclusive school WASH.
 2. Accessible and safe school facilities.
 3. Schools are free from violence.
 4. Children are disciplined and listening.
